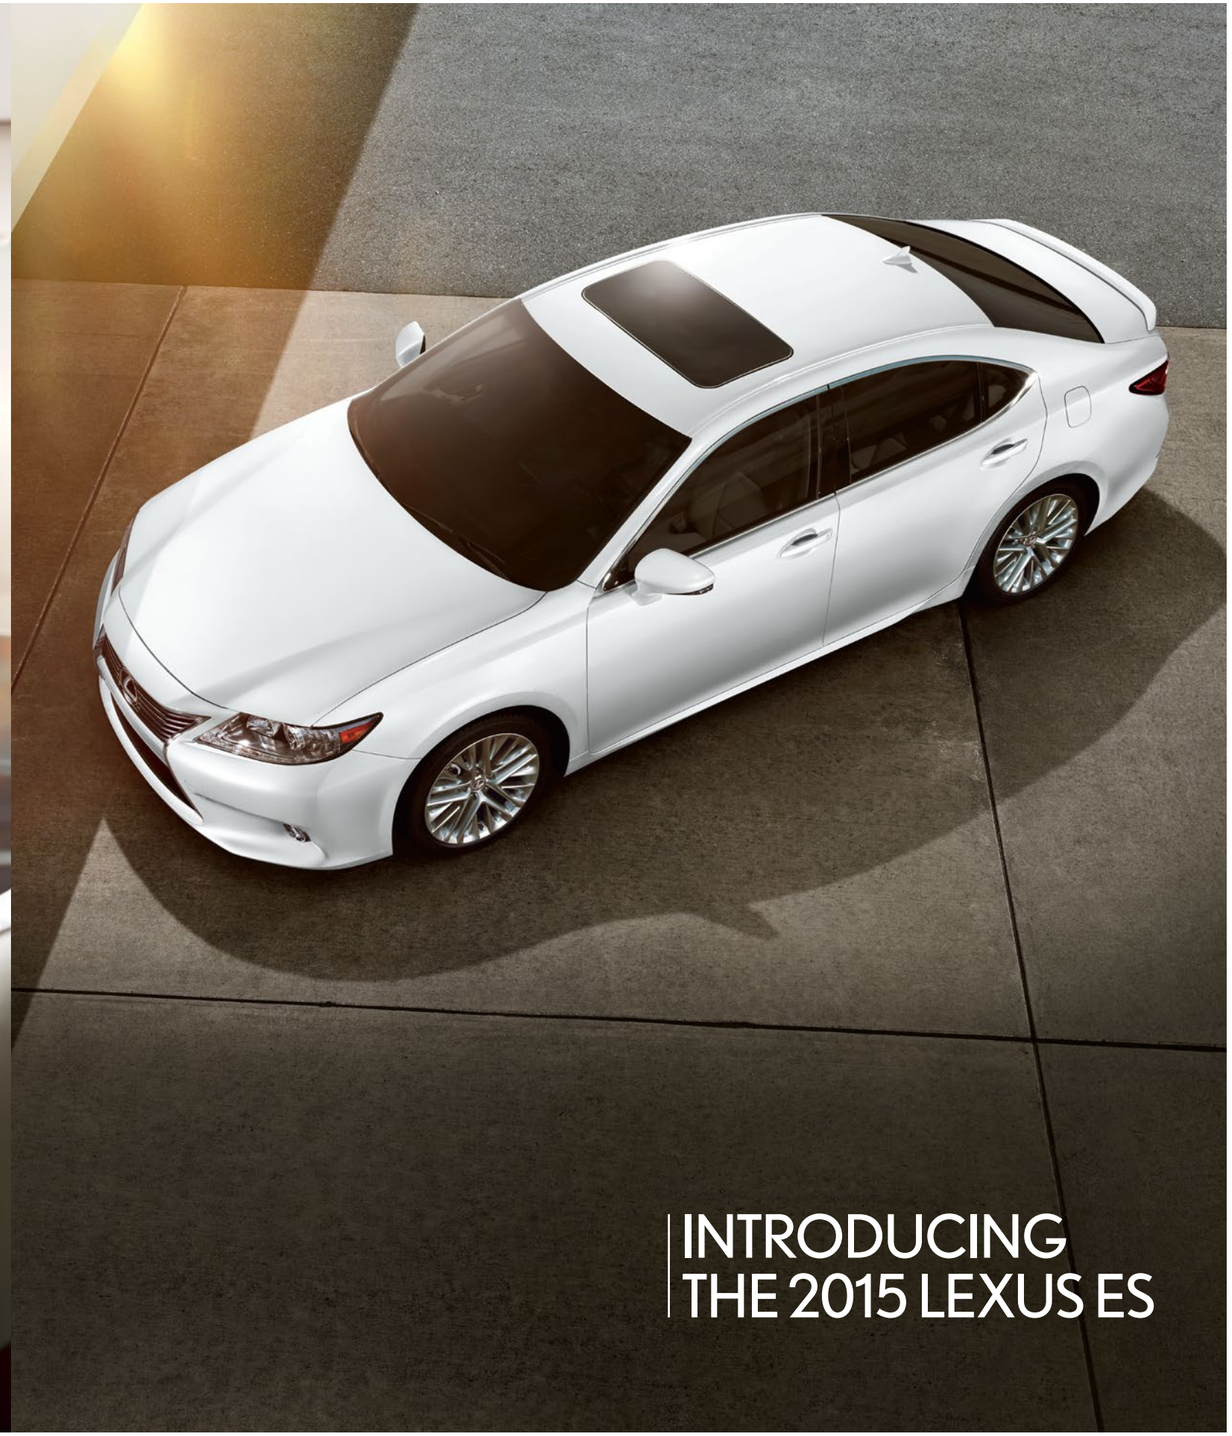
15 | ES

ES 350 | 268-horsepower, 3.5-liter V6; selectable driving modes; and a stylish interior featuring contrast stitching, class-leading rear-seat legroom[1] and the exclusive option of a panorama glass roof.

ES 300h | Hybrid with 40-mpg EPA-estimated combined rating,[2] selectable driving modes with dynamic tachometer and Hybrid System Indicator, rear spoiler and concealed exhaust outlets. Exclusive 17-inch split-five-spoke alloy wheels.[3]

WHEREVER YOU GO, GO ALL IN.

ESh shown in Matador Red Mica (left) and ES shown in Atomic Silver (right) // Options shown.



INTRODUCING THE 2015 LEXUS ES

Options shown.

ES shown in Starfire Pearl // Options shown.

It's a striking design that offers more ways to make more of an impression. The sculpted lines of its long, wide stance and sleek profile combine to form a singular presence on the road. The bold styling of its spindle grille, LED daytime running lights and available 18-inch wheels[3] beg for a second look. And once its lightweight, highly rigid body is set in motion, it becomes all the more unforgettable.

ES shown in Deep Sea Mica // Options shown.

CLASS-LEADING REAR LEGROOM[1]

You don't have to sit in the driver's seat to appreciate the modern design of its interior. Making the most of the additional space provided by an extended platform, the rear seat offers generous headroom and the legroom of a much larger sedan.

ES shown in Parchment leather with Bamboo trim // Options shown.

"GLIDES OVER THE ROAD WITHOUT A CARE IN THE WORLD."

–*ROAD & TRACK*, JANUARY 2014

40-MPG RATED* HYBRID

The ES 300h offers more, even while using less. In addition to providing impeccable refinement, an extended rear valance and an aerodynamic rear spoiler, it features a better fuel economy rating than most subcompact cars[4] and has earned the prestigious SULEV emission status.

*2015 ES 300h EPA 40/39/40 city/hwy/combined mpg ratings. Actual mileage will vary.

ESh shown in Nebula Gray Pearl // Options shown.

WHAT DOES AN ORIGAMI CAT HAVE TO DO WITH WORLD-CLASS CRAFTSMANSHIP?

EVERYTHING.

The hand-stitching along the curves of the dash requires much from a craftsman: dexterity, skill and tests so demanding that only 12 have passed. Among these: Fold a perfect origami cat. Using only your nondominant hand. In less than 90 seconds.

ES shown in Parchment leather with Bamboo trim // Options shown.

From the driver's seat, it's evident that every aspect of your comfort has been considered. An available heated steering wheel invites you to connect with the ES, while available heated and ventilated front seats help you acclimate to varying conditions. Adding intrigue to its modern design, available ambient lighting brightens or dims based on whether the vehicle is moving or parked.

ES shown in Black leather with Espresso bird's-eye maple trim // Options shown.

IT FEATURES EVERYTHING BUT COMPROMISE.

PANORAMA GLASS ROOF

Offering the appearance of a seamless, all-glass roof on the outside and brighter ambience inside, the panorama glass roof, available exclusively on the ES 350, takes luxury to new heights. Other features in the Ultra Luxury Package include side window shades, a power rear sunshade and seating trimmed in supple, semi-aniline leather. For the driver, a power-extendable driver's-seat cushion provides additional thigh support.

VARIABLE DRIVING MODES

Whether you're craving more performance or are in the mood to relax in world-class comfort, the level of engagement you desire can vary. With the innovative Drive Mode Select switch, so does the ES. From the added responsiveness of Sport mode to the optimized efficiency of ECO and the all-electric EV (Hybrid only) modes,[5] it's just one of the many ways the ES was designed with the driver in mind.

PREMIUM SURROUND SOUND

The ES offers an available 15-speaker, 835-watt Mark Levinson® Premium Surround Sound Audio System.[6] This acoustic triumph is as much a product of determination as of innovation. Lexus and Mark Levinson engineers worked hand in hand from the beginning of the ES to plan, develop and position every component for the most accurate reproduction of the artist's original recording possible.

SUSTAINABLE MATERIALS

The ES and ES Hybrid both offer a steering wheel and accents hand-crafted with available sustainable bamboo. They also feature seating trimmed in Lexus NuLuxe, a supple perforated material that is lighter than genuine leather and whose manufacturing process generates no VOCs and 65% fewer CO_2 emissions.

LEXUS ENFORM REMOTE

The new available Lexus Enform Remote[7] mobile app can remotely start the engine, lock and unlock doors, check the status of doors and windows as well as your fuel level, and can help find your vehicle's location in a parking lot. And, should you loan your ES to another driver, you can receive instant alerts if, for example, a preset speed or mile limit is exceeded. Lexus Enform Remote[7] is complimentary for the first year of ownership.
Learn more at lexus.com/enform.

LEXUS ENFORM APP SUITE

The subscription-free Lexus Enform App Suite[8] uses your compatible smartphone to give you in-vehicle access to some of your favorite mobile applications. You can order movie tickets from the console, personalize your Pandora®[9] playlist and even make dinner reservations.
Learn more at lexus.com/enform.

VOICE-ACTIVATED TECHNOLOGY

The available Navigation System[10] is one way the ES responds to your voice. Another way: Siri® Eyes Free,[11] which connects with your compatible iPhone,®[12] enabling you to access e-mail, send text messages and more. You can also search your portable music collection and use the results to create customized mixes.

ADVANCED SAFETY

Available Lane Departure Alert[13] monitors visible lane markings, and if it detects you're leaving your lane, helps warn you with audible and visual cues. An available Pre-Collision System[14] monitors the road to warn you of upcoming obstacles, and in some cases, even begins braking automatically before impact. Should a collision occur, the ES offers the protection of a class-leading[15] standard 10-airbag system.[16]

ES shown in Starlire Pearl // Options shown.

ESh shown in Silver Lining Metallic // Options shown.

EVEN ITS EDGES ARE CUTTING-EDGE.

INNOVATIVE MEASURES WERE TAKEN UNDERNEATH AND ON THE SIDES OF THE ES TO HELP DIRECT AIRFLOW SMOOTHLY AROUND THE BODY, HELPING TO REDUCE NOISE AND VIBRATION, IMPROVE FUEL EFFICIENCY, AND ENHANCE HANDLING AND HIGH-SPEED CONTROL.

–

ES shown in Nebula Gray Pearl // Options shown.

A. Available bamboo-trimmed steering wheel **B.** iPhone[12]/iPod[@17] connectivity **C.** Available Light Gray perforated leather interior trim **D.** Available Lexus Enform with subscription-free App Suite **E.** Available accessory cargo net. BLIND SPOT MONITOR WITH REAR CROSS-TRAFFIC ALERT

The ES offers drivers more of everything. Even peace of mind. At speeds above 10 mph, the available Blind Spot Monitor[18] can help you change lanes more confidently by warning you if it detects vehicles in the adjacent lanes. And, the system's ingenious Rear Cross-Traffic Alert[20] feature is designed to detect and warn you of vehicles approaching from behind on either side as you back out of a parking space.

ES shown in Nebula Gray Pearl // Options shown.

KEY STANDARD FEATURES

LED daytime running lights (DRL) // Power moonroof // SmartAccess[21,22] with push-button Start/Stop // Drive Mode Select // Backup camera[23] // Center console controller[19] // HD Radio™[24] with iTunes®[17] tagging // Color LCD multi-information display // Illuminated entry system // Dual-zone climate control with interior air filters, smog sensor and automatic recirculating mode // Perforated NuLuxe interior trim // Power-adjustable front seats // 10 standard airbags[16] // Lexus eight-speaker Premium Sound System // *Bluetooth*®[25] phone and audio connectivity[26] // Lexus Enform Remote[7] app and Safety Connect.[27] Subscription required. One-year trial subscription included // Traffic and weather updates[24] via HD Radio[24]

INDIVIDUAL OPTIONS

Heated and ventilated front seats // Wood- and leather-trimmed shift knob and heated steering wheel (ES) // Heated wood- and leather-trimmed steering wheel (ES/ESh) // Power rear sunshade // Rain-sensing wipers with deicer // Blind Spot Monitor[18] with Rear Cross-Traffic Alert[20] // Power trunk open/close // High-Intensity Discharge (HID) headlamps // Lane Departure Alert[13] with intelligent high-beam headlamps[28] // Intuitive Parking Assist[29] // Pre-Collision System[14] (PCS) with Dynamic Radar Cruise Control[30]

PACKAGES

NAVIGATION PACKAGE

Navigation System with color multimedia display // Remote Touch[19] controller // Voice command // Enhanced *Bluetooth* technology[25] // Lexus Enform App Suite with Bing,™ iHeartRadio, OpenTable,® MovieTickets.com, Pandora,® Yelp® and Facebook Places // Lexus Enform Destinations. SERVICES AS INNOVATIVE AS THE ES ITSELF.

THE LEXUS DELIVERY AND TECHNOLOGY SPECIALISTS. To assist you in getting the most out of your ES, the Lexus Delivery Specialist will conduct a personalized delivery focused on every feature, setting and function you desire. To answer questions that arise after delivery, the Lexus Technology Specialist can offer expert guidance in person or without you ever leaving the driveway, via camera-enabled iPad®[12] apps like FaceTime.®[33] Learn more about our Lexus Delivery and Technology Specialist services at lexus.com/specialists.

WARRANTY Four-year/50,000-mile Lexus Limited Warranty. Six-year/70,000-mile Powertrain Warranty. Six-year/unlimited-mileage Corrosion Perforation Warranty. All warranties with zero deductible. See the *ES Warranty and Services Guide* at your Lexus dealer for details. **DISCLOSURES 1.** Based on manufacturer's published data. **2.** 2015 ES 300h EPA 40/39/40 city/hwy/combined mpg ratings. Actual mileage will vary. **3.** 17- or 18-in performance tires are expected to experience greater tire wear than conventional tires. Tire life may be substantially less than 20,000 miles (17-in) or 15,000 miles (18-in), depending upon driving conditions. **4.** Based on 2014 EPA-estimated MPG, Subcompact segment. **5.** CAUTION! When driving a hybrid vehicle, pay special attention to the area around the vehicle. Because there is little vehicle noise in electric-only mode, pedestrians, people riding bicycles or other people and vehicles in the area may not be aware of the vehicle starting off or approaching them, so take extra care while driving. EV mode works under certain conditions at low speeds for up to a mile. See *Owner's Manual*. **6.** Mark Levinson® is a registered trademark of Harman International Industries, Inc. **7.** Use only if aware of circumstances surrounding the vehicle, and it is legal & safe to do so (e.g., car uncovered in open area, no people or pets in or nearby). If vehicle has not been driven for over a week, services will not be available until next time vehicle is started. Functionality depends on many factors, such as vehicle and smartphone connectivity. See usage precautions, service limitations & *Owner's Manual*. Data charges may apply. Registration, app download are required. Must have active Safety Connect subscription. Annual fee required after 1-year trial. **8.** Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. Apps/services vary by phone/carrier; functionality depends on many factors. Select apps use large amounts of data; you are responsible for charges. Apps & services subject to change. See lexus.com/enform for details. **9.** PANDORA®, the PANDORA® logo, and the Pandora trade dress are trademarks or registered trademarks of Pandora Media, Inc., used with permission. **10.** Availability & accuracy of the information provided by the Navigation System is dependent upon many factors. Use common sense when relying on information provided. Services and programming subject to change. Services not available in every city or roadway. Updates may be available at an additional cost from your dealer. See *Navigation System Owner's Manual* for details. **11.** Always drive safely, obey traffic laws & focus on the road while driving. Siri® is available in Beta only on iPhone® 4S, iPhone® 5, iPad® with Retina® display, iPad® mini, & iPod® touch, 5th gen. & requires Internet access. Siri® is not available in all languages or all areas & features vary by area. Data charges may apply. See Apple.com & phone carrier for details. **12.** iPhone® and iPad® are registered trademarks of Apple Inc. All rights reserved. **13.** Lane Departure Alert is designed to read lane markers under certain conditions and provide visual and audible alerts when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness depends on many factors. See *Owner's Manual* for more information. **14.** The Pre-Collision System is designed to help reduce the crash speed and damage in certain frontal collisions only. It is not a collision-avoidance system and is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, driver input and road conditions. See *Owner's Manual* for further information. **15.** Based on 2015 vs. 2014 Near-Luxury Class four-door sedans. **16.** All the airbag (AB) systems are Supplemental Restraint Systems. All ABs are designed to inflate only under certain conditions and in certain types of severe collisions: frontal and knee ABs typically inflate in frontal collisions; side and side curtain ABs in side collisions; Roll-Sensing Curtain ABs at a severe tilt degree, roll or lateral G-force. In all other accidents, the ABs will not inflate. To decrease the risk of injury from an inflating AB, always wear seatbelts, sit upright in the middle of the seat as far back as possible and do not lean against the door. Do not put objects in front of an AB or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. The force of an inflating AB may cause serious injury or death. See *Owner's Manual* for further information/warnings. **17.** iTunes® and iPod® are registered trademarks of Apple Inc. All rights reserved. **18.** Do not rely exclusively on the Blind Spot Monitor. Always look over your shoulder and use your turn signal. There are limitations to the function, detection, range and clarity of the monitor. For a complete list of limitations and directions regarding use of the monitor, see *Owner's Manual*. **19.** Be sure to obey traffic regulations and maintain awareness of road and traffic conditions. **20.** Do not rely exclusively on the Rear Cross-Traffic Alert system. Always look over your shoulder and use your mirrors to confirm rear clearance. There are limitations to the function, detection, range and clarity of the system. To learn more, see *Owner's Manual*. **21.** The SmartAccess system may interfere with some pacemakers or cardiac defibrillators. If you have one of these medical devices, please talk to your doctor to see if you should deactivate this system. **22.** The engine immobilizer is a state-of-the-art anti-theft system. When you insert your key into the ignition switch or bring a SmartAccess fob into the vehicle, the key transmits an electronic code to the vehicle. The engine will only start if the code in the transponder chip inside the key/fob matches the code in the vehicle's immobilizer. Because the transponder chip is embedded in the key/fob, it can be costly to replace. If you lose a key or fob, your Lexus dealer can help. Alternatively, you can find a qualified independent locksmith to perform high-security key services by consulting your local *Yellow Pages* or by contacting www.aloa.org. **23.** The backup camera does not provide a comprehensive view of the rear area of the vehicle. You should also look around outside your vehicle and use your mirrors to confirm rearward clearance. Cold weather may limit effectiveness and view may become cloudy. **24.** HD Radio™ Technology manufactured under license from iBiquity Digital Corporation U.S. and Foreign Patents. HD Radio™ and the HD, HD Radio, and "Arc" logos are proprietary trademarks of iBiquity Digital Corp. **25.** The *Bluetooth*® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by Lexus is under license. A compatible *Bluetooth*-enabled phone must first be paired. Phone performance depends on software, coverage & carrier. **26.** *Bluetooth*® audio device must be enabled with A2DP and AVRCP. **27.** Contact with the response center may not be available in all areas. Service Agreements required. A variety of subscription terms available; charges will vary. See lexus.com for details. **28.** Intelligent high-beams system operates at speeds above 21 mph. Situations such as a dirty windshield, variable weather, lighting conditions and hilly terrain will limit effectiveness, requiring the driver to manually turn off. See *Owner's Manual* for details. **29.** Do not rely exclusively on the Intuitive Parking Assist system. Always look over your shoulder and use your mirrors to confirm clearance. System effectiveness depends on many factors. See *Owner's Manual* for details. **30.** Dynamic Radar Cruise Control is designed to assist the driver and is not a substitute for safe and attentive driving practices. See *Owner's Manual* for details. **31.** Performance figures are for comparison only and were obtained with prototype vehicles by professional drivers using special safety equipment and procedures. Do not attempt. **32.** 2015 EPA-estimated ratings. Actual mileage will vary. **33.** FaceTime® is a registered trademark of Apple Inc. All rights reserved.

Lexus strives to build vehicles to match customer interest, and thus they typically are built with popular options and option packages. Not all options/packages are available separately, and some may not be available in all regions of the country. See lexus.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order. Specifications, features, equipment, technical data, performance figures, options, and color and trim are based upon information available at time of printing, are subject to change without notice, and are for mainland U.S.A. vehicles only. Some vehicles shown with available equipment. See your Lexus dealer for details. Lexus reminds you to wear seatbelts, secure children in rear seat, obey all traffic laws and drive responsibly. For more information, call 800-USA-LEXUS (872-5398) or visit lexus.com. To learn more about your financing options, contact your Lexus dealer or call Lexus Financial Services at 800-874-7050.
